# Life Group Discussion Questions

Why do you think spiritual deadness is so prolific in the church today? Do you feel like you struggle with spiritual deadness?

In the story of the prodigal son, which son would you consider yourself to be or have the most tendencies to be like? Why?

Do you struggle to really believe the gospel to it's entirety? What tendencies in your life show your disbelief? How does this make you more of an elder brother?

What are ways that you can keep yourself from being the elder brother described in Tim's Talk? Look to scripture to see if you can find any passages that would help in this. Share with your group.

The Pursuit is hosting the Willow Creek Global Leadership Summit this year on August 5th & 6th. We believe that this is an incredible opportunity to be stretched on so many levels. Would you consider attending it this year? Do you know of anyone who would benefit from attending this event? If so, please pass on the information to them or contact [bren@thepursuit.org](mailto:bren@thepursuit.org) to sign up!
