# Life Group Discussion Questions

1. As you look at different areas in your life, do you have a tendency to make decisions based on immediate gratification or the long term rewards? Give an example.
2. What are your thoughts on the certainty issue that requires faith? What role do you now believe faith plays in the inconsistencies between what you say you want and what you actually do?
3. Share one thing that would change in your life if you could be as certain about delayed future results as you are about the immediate results of giving in?
4. American Christians give an average of 2% of their money to ministries. Explain why you believe it is so difficult for most Christians to be willing to pay the price to give to God's work generously.
5. Read 2 Timothy 4:7-8. How certain would others say you are of the rewards that wait for you as a follower of Jesus based on how they observe you live? What would it take for you to live fully convinced?
